

Welcome to The Flora Stevenson Primary School

We are one of the largest primary schools in Edinburgh with around 700 pupils including our Nursery. Our families speak more than 40 different languages.

1 - Our Primary 1 classes are based in this building with its own outdoor area.

In the P1 building we have 3 classrooms, a hub area and some toilets.

2 - We continue to follow the Early level of the Curriculum for Excellence which is delivered in all Early Year settings.

3 - Across the curriculum the learning is active and matched to the children's abilities and interests.
